Aloha from
Honorary Chairperson
Kimo Kahō'āno

With our kōkua, our help, Hawai'i's Neonatal Nurses will be able to reach out to more families who have been affected by these unique circumstances. We all know that life is precious and it starts at the very beginning. I am honored to support these very talented and specialized nurses and their organization.

A Message From Our Nurses:

Your support through 2016 took our organization to another level: 501c3 federally recognized non profit status!!! Over \$10,000 was raised in the 2016 CoA which helped a NICU nurse receive a Triplet stroller for unexpected triplets, a car seat for a young Hilo family, host our 3rd annual Neonatal nurses conference, end-of-life support for neonates and 'ohana, mentoring Chaminade nursing students in nursing cultural education, developing the first global conference in Hawai'i to unify neonatal nurses and enhance evidence-based patient care skills and knowledge.
