Neonatal Nurses Caring for Hawai'i's Babies

## CARING FOR THE HEALTH OF HAWAI'I'S KEIKI TO KUPUNA

**VISION:** Become Hawai'i's connection for all Neonatal Nurses, and Caregivers of high-risk babies, through education, professional development and certifications. Cultural principles, Spirit of Aloha and ethnic diversity will connect the grass roots of our local communities to the professionalism of institutions, corporations and organizations.

**MISSION:** We are a non-profit organization devoted to the Caregivers and First Responders of high risk babies - We are Hawai'i's Neonatal Nurses. Our organization supports the developmental-relationship based care

**Why?** Our purpose is to support hospitals, organizations and families throughout Hawai'i with quality education, community resources and global-level best practices to enhance the Caregivers ability to continue the support a baby's growth and development.

of baby and Caregivers; we strive to create innovative solutions with strong partnerships; support informed family choices; and provides professional nursing care leading to positive outcomes for healthier babies. We educate, therefore, empower the professionals to enhance their professional and personal lives.

### We offer:

- Monthly Neonatal Nurses meetings
- Annual professional conferences
- Certifications: BLS, NRP and RNC tutoring/certification review
- Neonatal/Pediatric Hospice and Palliative Care
- Transitional Hospital to Home Care
- Education for families and community
